

Contractors' Equipment Floater
Appetite Guide.

Specialized Coverage. Expert Underwriting.
Built for Canadian Contractors.

Our Contractors' Equipment Floater is a made-to-measure insurance solution designed by experienced underwriters to provide broad protection for the equipment your business depends on.

Available as a standalone policy or as part of a comprehensive insurance program, this solution offers the flexibility and expertise brokers expect from Revau.

Coverage Highlights

Our Contractors' Equipment Floater provides all-risks coverage for contractors' equipment.

Optional coverage extensions include:

- Ice, muskeg, swamp or soft soil
- Overloading
- Equipment transported by water
- Business interruption
- Equipment leased from and to third parties
- Replacement cost up to 5 years or newer
- Cab and Chassis
- Rigger's liability
- Equipment Breakdown
- Motor Truck Cargo and Transportation Floater

Why Brokers Choose Revau

- Specialized Expertise
- Our underwriters understand the unique exposures faced by contractors and work with brokers to develop practical, tailored insurance solutions.
- **Strong Capacity** : Up to **$10,000,000** in-house capacity across Canada (Limit of Loss/CAT Limit)
- Higher limits available based on equipment class and risk profile
- Flexible Solutions
- Designed for a wide range of contractors with coverage that can be customized to meet the needs of each operation.

Target Risks

Including but not limited to:

- Building Contractors
- Civil Engineering Contractors
- Crane Operators (Limited)
- General Contractors
- Quarries and Manufacturing Equipment (Limited)
- Mining, Aggregate & Mineral Exploration Contractors (Limited)
- Oilfield and Energy Services Contractors (Western Provinces)
- Specialized Trade Contractors

Quick Quote Submission

You can expect contact from an underwriter within **48 hours** of receipt of submission. To receive a fast and accurate quote, please include along with your completed Contractors' Equipment Floater Application:
Contractors' equipment schedule / 5-year loss history / Description of operations / Crane supplement (if applicable)
